

“Fact Attack”

Soda’s fizzy from carbonation  
Some sodas have caffeination  
Caffeine affects relaxation  
Some kids drink it only when they’re on vacation

Big Bird’s best friend is Snuffleupagus  
Maryland’s capital is Annapolis  
Another word for city is metropolis  
A very large city is called megalopolis

The Acropolis can be found in Greece  
Jason and the Argonauts searched for a fleece  
Sobrina is the Spanish word for niece  
Geese travel in a gaggle and deer in a leash

Earth is the third planet from the Sun  
Earth weighs six sextillion tons  
Inside the Sun fit a million earths  
The average baby weighs 6 to 9 lbs at birth

*Chorus:*

Step on back  
Having a fact attack

The English call French fries chips  
The Belgian use mayo for dip  
A quip is a witty saying or remark  
A shark can see pretty well in the dark

Mother comes from the Latin word mater  
A tyrannical ruler is a dictator  
Tyrannosaurus Rex was a carnivore  
60 million years since he roared

Russia used to have a czar  
Raw fish is sushi, fish eggs caviar  
Par means the standard strokes for a hole  
Foal means horse, a fee for use is a toll

South America has chinchillas  
The capital of Philippines is Manilla  
Manila folders are often yellow  
Bon jour is how the French say hello

*Chorus*
